## On Safety Engineering, Management and Analytics (SEMA)

Conducted under  
“AZADI KA AMRIT MAHOTSAV”  
- 75 years of India’s Independence

### TOPIC: DEFENSELESS MOMENTS

Larry Wilson is the CEO and author of SafeStart. He was a behavior-based safety consultant when he determined the need for a program 'SafeStart', which he developed and officially launched in 1998. In addition to an extensive range of SafeStart and SafeTrack learning materials, he has authored numerous articles as well as co-authored the book "Inside Out: Rethinking Traditional Safety Management Paradigms". He is also a masterfully skilled and influential speaker in the safety industry—a subject matter expert with a very polished delivery. He’s proven this with over 25 years of speaking experience at health and safety conferences, international events in three continents, and annual sessions at national ASSP, NSC, and VPPPA conferences.
