## On Safety Engineering, Management and Analytics (SEMA)

Conducted under  
“AZADI KA AMRIT MAHOTSAV”  
- 75 years of India’s Independence

### TOPIC: PLANNING AND DESIGNING SAFETY IN MECHANISED MINING SYSTEMS

Dr. Khanindra Pathak is currently the Dean (Infrastructure) and Professor in the Department of Mining Engineering, IIT Kharagpur. He served in Neyveli Lignite Corporation, Tamilnadu and Surface Mining Division of CMPDIL before joining as Lecturer at ISM Dhanbad in 1987. He did his PhD at Imperial College, London as Commonwealth Academic Staff Fellow. He joined IIT Kharagpur in 2000 and served a term as HoD, Mining Engineering Department. He also served as Professor and HoD of Mining Engineering at University of Technology, Lae, PNG for about two years. He was for four years Independent Director of Coal India Limited. He also served as Chairman, Eastern Regional Committee of AICTE. Prof. Pathak was also a member of the Standardization Committee formed by MoEF, GoI for Environmental Clearance of Mining Projects. Because of his contribution in mining environment management in Indian mining industry, he was awarded National Geoscience Award (awarded on April 3, 2016 by the President of India). He is now Senior Vice President of the Asset Management Society India.
